An initiative of the APHRC's Officials

PO Box 128 5 Gerald McCarville Drive Kensington PE C0B 1M0 (902) 836-5500

April 22, 2022

The Stretch Drive Fund will hold its 12th annual Golf Tournament at Fox Meadow Golf Club in Stratford, PEI on Wednesday, August 17th 2022. **(SHOTGUN START 8:00 a.m.)**

The Fund, a project of the Atlantic Provinces Harness Racing Officials was established to help address the needs of individuals and families involved in the harness racing industry in the Atlantic Provinces who have fallen on hard times for various reasons. It also contributes to a scholarship which is awarded each year to deserving students whose families are involved in harness racing in the Atlantic Provinces. To date, the Fund, which is overseen by the Senior Judges Committee and the APHRC, has distributed more than \$120,000 to those in need.

The tournament is limited to 24 teams. We are currently only taking registrations of teams who are hole sponsors at a cost of \$500 per Team (\$100 per individual golfer & \$100 hole sponsorship). **All registration is to be done through the APHRC office at (902) 836-5500 or by contacting Cindy Doucette at cdoucette@atlanticphrc.ca**

The last tournament we were able to hold was in 2019 and we raised over \$18,000. The purpose of this letter is to request your support by co-sponsoring a hole for \$100. In addition, if you are able to supply a donation of 4 prizes (t-shirts, hats, mugs, etc.) which will be presented to each member of a 4 person team, it would be appreciated. Each sponsor will have a sign in the tee box area of the hole they co-sponsor and will be mentioned in any media releases including an insert in the race program at each of the eight Atlantic Race Tracks. One hundred percent of the proceeds go into the Fund.

We also ask new and previous year sponsors to contact APHRC office to confirm this year's sponsorship and arrangement payment at cdoucette@atlanticphrc.ca

Cheques should be made payable to **APHRC/Stretch Drive Fund**, and may be mailed to the following address.
