

Atlantic Provinces Harness Racing Commission

Seeking New Director of Racing

For the second time since the end of January, the Atlantic Provinces Harness Racing Commission (APHRC) is seeking a Director of Racing. Dylan Allain, who assumed the position on March 3, 2025, has submitted his letter of resignation.

“Dylan indicated in his resignation letter that for personal reasons, he has decided not to continue as Director of Racing”, stated Commission Chair Glen Rankin. While disappointing, it does provide the Commission sufficient time to have a Director of Racing in place before the racing meet for 2025 begins in May.

The Commission wishes Dylan the best going forward and looks forward to his contributions as a senior judge for the APHRC.

The search for a new Director of Racing will commence immediately. The position requirements and the application process will be posted on the Commission website www.atlanticphrc.ca and on the Standardbred Canada site at www.standardbredcanada.ca .

Please email applications to Cindy Doucette email: cdoucette@atlanticphrc.ca

The closing date for applications will be Monday, March 31 at 4:00 pm AST.
